Judgment of the Bracken Circuit Court was reversed in the Court of Appeals Thursday in a case of the Commonwealth against Joseph Beckett. The charge was obtaining money and property by false pretenses, and the Appellate Court holds the indictment returned in the Court below to be sufficient.

A. G. Ernschwiler, Prosecuting Attorney of Hartford City, Ind., has written Caleb Powers denying a story published by Democratic newspapers that he refused to have anything to do with Powers, although they had been schoolmates, because he believed him guilty. Ernschwiler denounces the story as a fabrication in every particular.

**"There Isn't One Really Good Printer in Five Hundred."**  
Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from."  
Printers' Ink knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good.  
We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bad job get out of our presses. No guess in the country can better our printing and we want you to know it.

**FOREST AVENUE FIRE**  
Stable of Mr. Henry Poth Burned Yesterday Morning

About 10 o'clock yesterday morning the stable in the rear of Mr. Henry Poth's property in Forest avenue was discovered in a blaze, the origin of the flames being unknown.

When first seen the fire had gained rapid headway, and quickly spread to the meat and coalhouses adjoining.

The buildings had a considerable amount of hay, millet, corn and meat stored in them, all of which were consumed.

The Sixth Ward Fire boys made a splendid effort to save the property, and their work is much appreciated by Mr. Poth.

The loss is about \$350, with \$200 insurance.

**Trials of Motherhood**  
505 Broad Street, PHILADELPHIA, Pa., June 13, 1905.  
I suffered for nine years with ovarian troubles making life a burden to myself as well as to my family. During that time I had two miscarriages and although we longed for a child to bless our home this seemed impossible. I had constant racking bearing-down pains in the pelvic organs and a pulling through my limbs with frequent headaches. I felt sick at my stomach and vomited frequently and no medicine helped me until I tried Wine of Cardui.  
Then my general health improved, the pains gradually lessened and after 15 weeks I was well. I am now the happy mother of a boy eighteen months old and my husband joins me in sending heartfelt thanks to you for your splendid medicine. Without it, I would have been a childless, instead of a happy and well mother.  
Mrs. Frederick Nirdlinger  
CHAPELTON, ST. ANDREW'S ASSOCIATION.

**WINE OF CARDUI**  
Wine of Cardui is the most successful menstrual regulator. By regulating menstruation, Wine of Cardui banishes inflammation from the entire female organism and the strengthened ligaments bring the organs back to their proper place. This is what Wine of Cardui did for Mrs. Nirdlinger. It banished the racking pains and burning inflammation and brought her relief. She was restored to health and strength and gives Wine of Cardui the credit of making her able to become a happy mother. This medicine equips a woman for every duty of wifehood and motherhood. There are many suffering women who think that health can never be theirs because they cannot secure the services of a great specialist, but we want to say right here that while Mrs. Nirdlinger lives in Philadelphia, a great medical center, she depended on Wine of Cardui for a cure and she was cured. This same medicine is within your reach. Will you take it?  
All druggists sell \$1.00 bottles Wine of Cardui.
